

Volume 2, Issue 1  
January 2022

## Ignace 2021 Christmas Parade

The Township of Ignace would like to thank the following:

Ontario Provincial Police – Ignace Detachment, Ignace Fire Department, Ignace Ambulance (EMS), Mayor Penny Lucas, Public Works Employees, Shannon & Jack McKay, Dan Arbour & Rhonda Smith, Christy McIntomney, Jeff Lederer & planning team, Nuclear Waste Management Organizations (NWMO) Ignace Bowling Club, WaCu Productions, Vern Hertz -- Gary's Towing, and Daniel Crossley -- Falcon Beach Auto Service and Towing.

## 2022 ICNLC Meetings

The Committee would like to hear about your concerns or interests so we can learn together as this project develops.

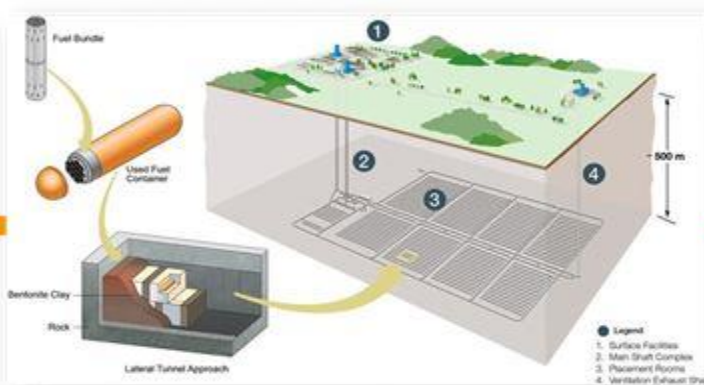

Wednesday, January 12, 2022	6:00PM CDT
Wednesday, February 9, 2022	6:00PM CDT
Wednesday, March 9, 2022	6:00PM CDT
Wednesday, April 13, 2022	6:00PM CST
Wednesday, May 11, 2022	6:00PM CST
Wednesday, June 8, 2022	6:00PM CST
Wednesday, July 13, 2022	6:00PM CST
No meeting in August	
Wednesday, September 14, 2022	6:00PM CST
Wednesday, October 12, 2022	6:00PM CST
Wednesday, November 9, 2022	6:00PM CDT
No meeting in December	

ICNLC Zoom meetings are open to the public!

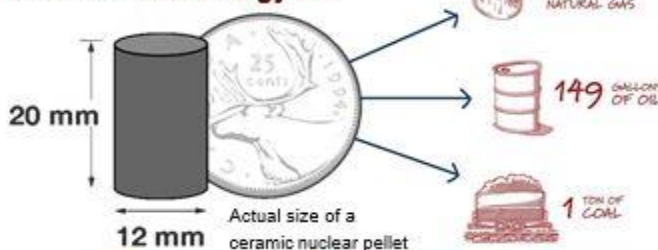

Scan the QR code, or go to Zoom to join:

Above: NWMO's current concept for a deep geological repository and the Multi-Barrier System for used nuclear fuel.

One nuclear fuel pellet has as much energy as:

### Members of the ICNLC

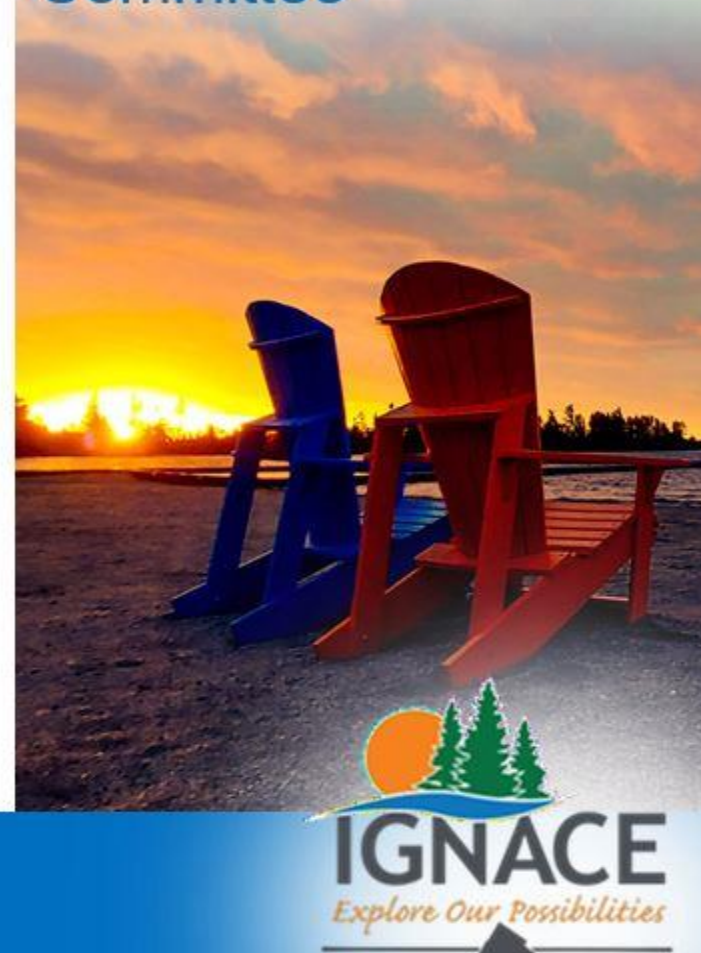

**Brad Greaves** —Chair  
**Cindy Stark** —Vice Chair  
**Penny Lucas** —Mayor  
**Debbie Hart** —Councillor  
**Wyatt Mantle** —Youth Representative  
**Donna Chief** —Wabigoon Lake Ojibway Nation Representative  
**Tyler Peacock** —Dryden Representative  
**Roger Dufault** —Member  
**Paul Dufault** —Member  
**Lee Kennard** —Member  
**Diana Baril** —Member

#### Staff

**Kim Richards** —ICNLC Project Coordinator

## Ignace Community Nuclear Liaison Committee

Ignace Community Nuclear Liaison Committee  
34 Main Street,  
P.O. BOX 248  
Ignace, ON  
P0T 1T0

1.807.934.2202 ext.1023  
icnlc.office@gmail.com

## The ICNLC's Role

The Ignace Community Nuclear Liaison Committee (ICNLC) is a committee approved by Council, and its mandate is to facilitate community and regional engagement, and assist with activities and events related to preparing the community for the possibility of hosting the Deep Geological Repository for Canada's used nuclear fuel.

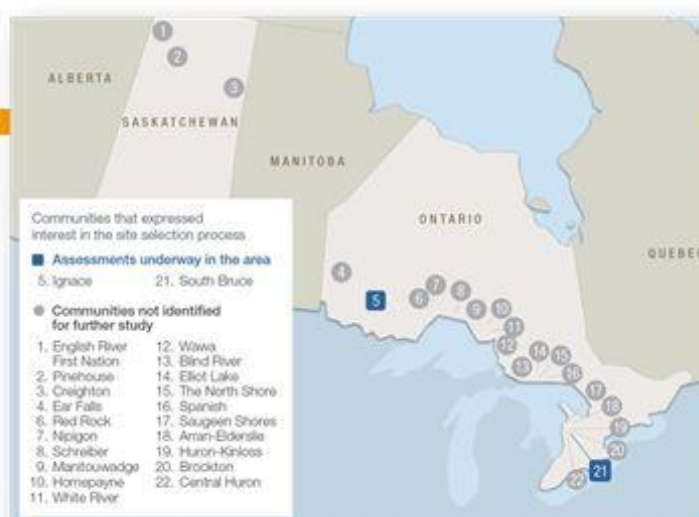

### ICNLC's Early Investment in Skills & Education Program

The ICNLC is committed to building capacity within Ignace, bringing resources and funding to assist with personal and professional growth of individuals in the community

- Mini-Skills workshops
- PAL & Hunter's safety courses
- Science North Summer Camps
- Driving courses and resources
- Ignace & Area Youth Gathering
- Youth Advisory Council
- Collaboration with Crossroads Employment Centre and Contact North services.
- Stay tuned as new events are announced!

For questions about upcoming opportunities, please email [icnlc.office@gmail.com](mailto:icnlc.office@gmail.com)

## Where did we begin?

In 2007 the Government of Canada selected Adaptive Phased Management (APM) as Canada's plan for the long-term management of all of Canada's high level used nuclear fuel. The APM Project calls for the centralized containment and isolation of Canada's used fuel in a deep geological repository (DGR). In 2010 Ignace, along with 21 other communities across Canada, put forth an expression of interest in becoming a host community for the DGR.

### Examples of skills required for the APM Project

Geoscience, drilling, engineering, equipment operation, technical support, environmental assessment, safety assessment, monitoring, engagement, social science, scientists, mining, construction, trades, regulatory affairs, administration, and communications.

## Where are we now?

Ignace and South Bruce Ontario are the two communities who are left continuing the Site Selection Process today. These two communities remain committed to learning more about the APM Project as we focus on the Willingness stage of the Site Selection Process. A site will be determined in 2023, and the host community will undergo a broad range of studies as the Licensing Process begins.

# Remembrance Day Ceremony 2021

## Wreaths Laid 2021

Country of Canada    Province of Ontario    Township of Ignace    Motherhood    WW1    WW2    Korean Veterans  
Royal Canadian Legion Branch 168    Ontario Provincial Police – Ignace    Indigenous Veterans

## Personal Wreaths

<b>Loucette Corbeil</b> – In memory of Korean War Veteran Gerald Corbeil	<b>Gwen Andrews</b> – In Memory of Jim Roblin
<b>Barbara McMullen &amp; Ryan Nicholas</b> – In Memory of Gerry Nicholas & WW2 Veterans Herb McMullen & Nick Nicholas	
<b>Joanne Naumann</b> – In memory of Hans, Eugene Sr. & John Naumann	<b>John Etherington</b> – In memory of Mary & Dave Etherington
<b>Sheila Krahn</b> – In memory of Jim Mousseau	<b>Dawn St. Amand</b> – In memory of John Defeo
<b>The Fralick Family</b>	<b>Richard Melander</b> – In memory of Helen & WW2 Veteran Abby Melander
<b>Sophie Cameron</b> – In memory of Scotty & Dean Cameron & Mike Szyska	<b>Christy McIntomney</b> – In memory of her mother Verna Larocque

## Business Wreaths

Alterna Credit Union	Angler's Gifts – In memory of Eugene Senior, Eugene Junior & Wilhelmina Naumann
CJ Dance & JM Music	Davey Lake Campground
Erick Thingstad Financial Services – In memory of Private Evan Thomson killed in WW1 in France	Esso & Subway – In memory of Nick & Angelina Zappitelli
École Immaculée-Conception	
Ignace Carpentry – In memory of his father Robert	
Ignace Convenience	Ignace Public School
Ignace Lions Club	Ignace Silvertops
Ignace Tavern	K & S Petro Canada/K & S Tackle
Mary Berglud Community Health Centre	Northwoods Motor Inn
Northwest Emergency Services	Nuclear Waste Management Organizations
OPSEU Local 726	Press Lake Camp
Shoprite Fine Foods	Signal Weather Services, The Gallery & Blooms
Sunset Carpentry	Westwood

## Ignace Food Bank

The Ignace **Food Bank** is a charitable organization dedicated to meeting community needs and ensuring no one goes hungry.

If you or someone you know could use a little help please contact

Yvonne Romas, Health Promoter at 934-2290.

**January Food Bank days**

**January 6 & 13 & 20**

**From 1:00 p.m. to 3:00 p.m.**

## New Year's Resolutions

A New Year's resolution is a tradition, in which a person resolves to continue good practices, change an undesired trait or behaviour, accomplish a personal goal, or otherwise improve their life at the start of a new year.

The most popular resolutions are about self-improvement

- ❖ living healthier
- ❖ getting happy
- ❖ losing weight
- ❖ exercising
- ❖ stopping smoking
- ❖ reducing drinking
- ❖ meet career goals
- ❖ improve relationships

I think my resolution for this year is to treat people the way I want to be treated as I don't think we always do this. I hope this is one I don't forget to practice.

Empties are full of opportunity!

Please save your empty alcohol bottles and cans.

Jim Gason collects and returns them and the money returned goes to support the Ignace Food Bank.

Please drop off the returns at 304 East Street or call Jim at 934-2393 and he will be happy to pick up them up.

## Recycling TIPS

### Reduce the number of single-use plastic bags you use!

- Say "no" when a retailer offers you a bag (plastic or paper). For a few items, we usually don't need a bag.
- Bring a reusable bag when you go shopping.
- Reuse your single-use bags around your home – use bags for packing material, trash can liners, and to pick up animal waste.
- If you do use plastic bags, return them to a retailer that accepts them for recycling.
- Pack your bags as full as possible. Remember that a plastic bag can hold up to 17 pounds of product – nearly 2000 times its own weight.
- Paper isn't always the better choice. Paper bags take more natural resources to make than plastic bags do.

**Remember, reduce your use of plastic bags, and reuse and recycle the ones already in your home.**

Stay tuned for February's issue. There will be a page dedicated to Ignace's senior residents as well as a Kokum's Corner. I'm looking forward to seeing/reading both of these newest additions to The Ignace Bulletin and if you have any ideas you would like to share, please email Petrina Taylor-Hertz at [communications@ignace.ca](mailto:communications@ignace.ca) or you can call her at 807-934-2202 ext. # 1024 or cell # 807-747-0327.

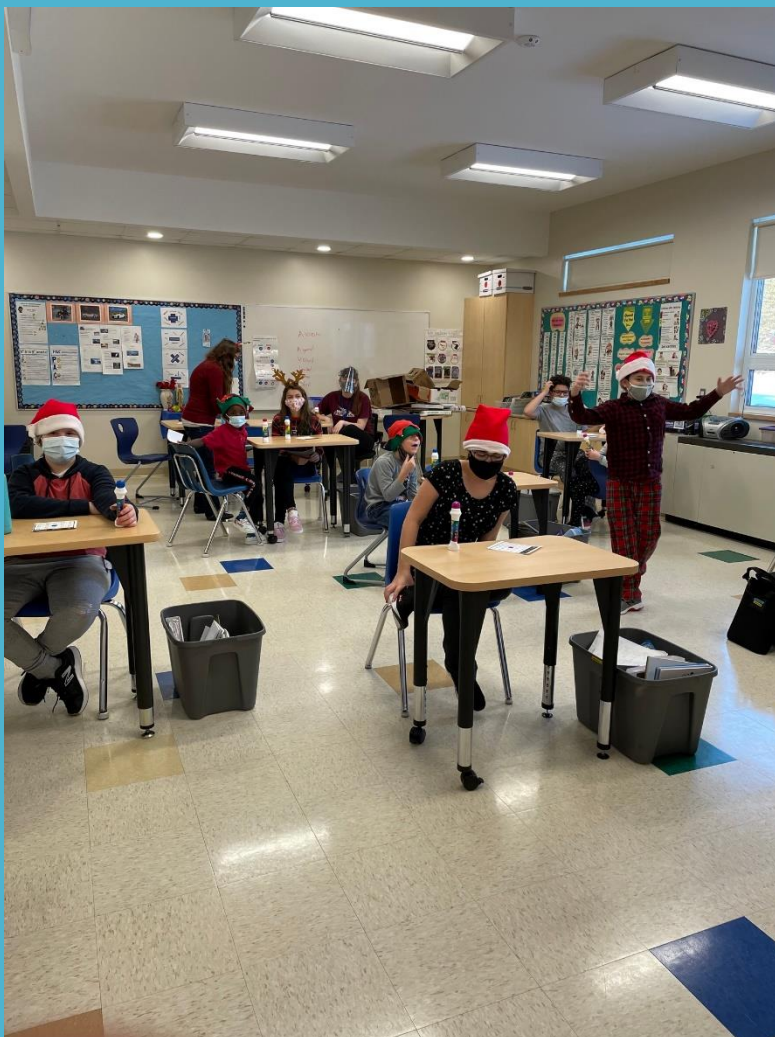

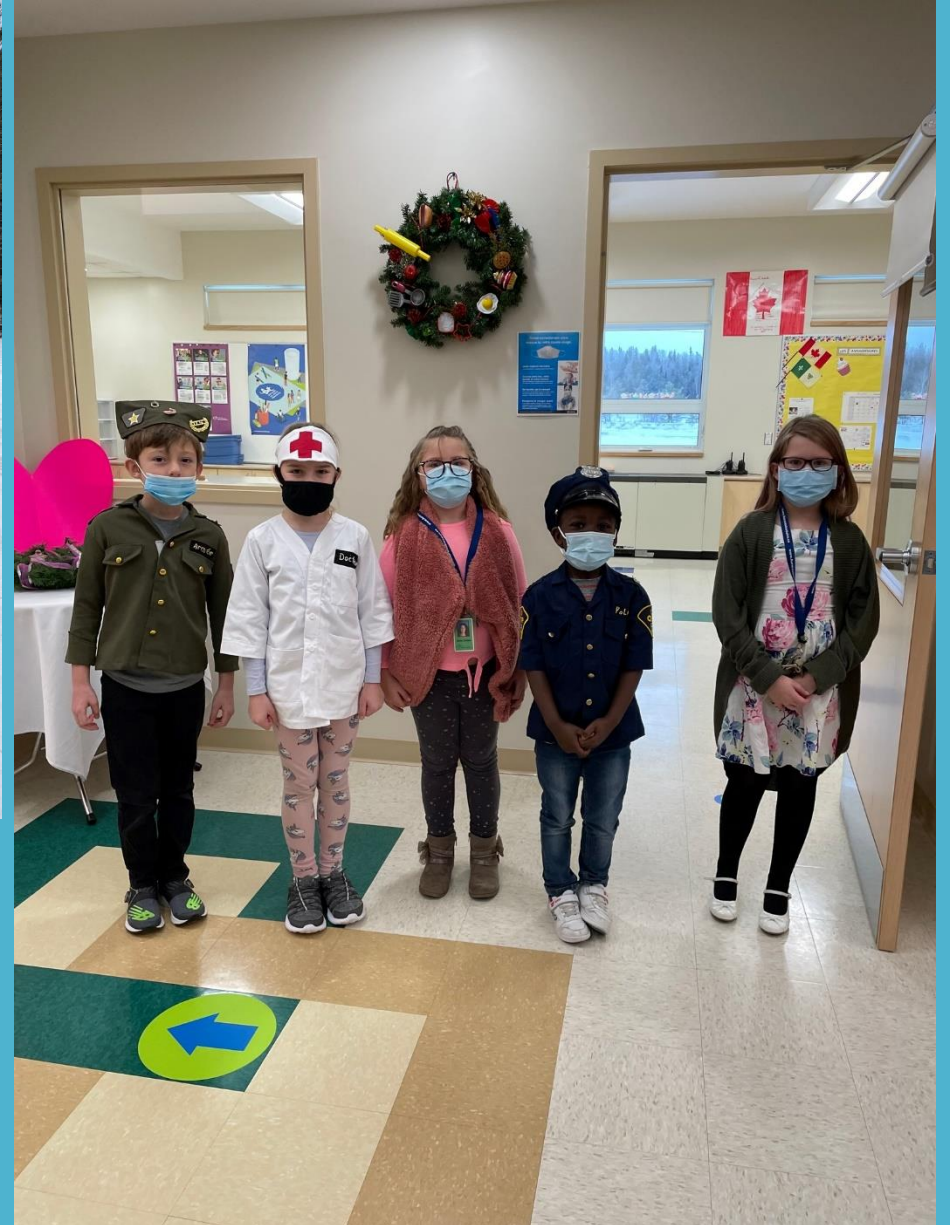

## Vive le temps des Fêtes!

### Oh, What Fun!

Le mois de décembre fut rempli d'activités en préparation au temps des Fêtes à l'École Immaculée-Conception. Les élèves ont participé à des journées thématiques festives : journée des métiers, journée bingo et une journée Noël de la tête aux pieds ! L'école a aussi souligné l'Avent avec une messe dans le gymnase avec le Père Al. Les élèves du jardin à la 3<sup>e</sup> année ont profité de l'apprentissage en plein air lors d'une promenade en raquettes. Pour conclure l'année 2021, l'école a également produit un spectacle de Noël virtuel pour leurs familles.

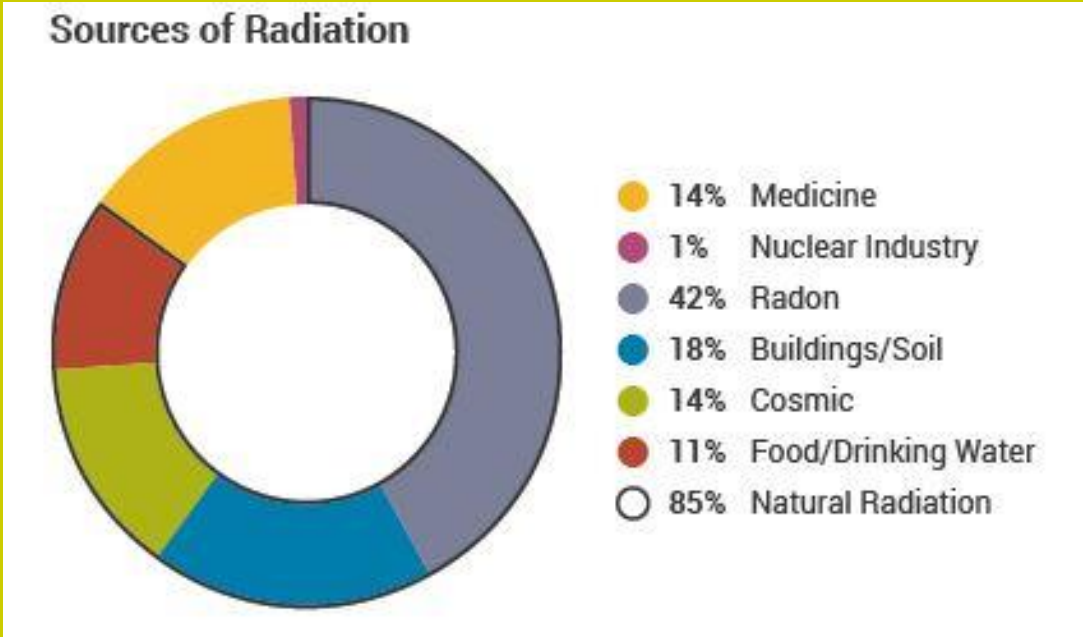

*December was a month filled with Holiday activities at École Immaculée-Conception. Students participated in festive theme days such as career day, bingo day and a head-to-toe Christmas day! The school also celebrated Advent with a mass held in the gym with Father Al. Kindergarten to grade 3 students enjoyed outdoor learning opportunities while snowshoeing. To conclude 2021, the school also created a virtual Christmas show for their families.*

**YOU ARE RADIOACTIVE!** RADIOACTIVITY IS NATURAL AND EVERYWHERE.

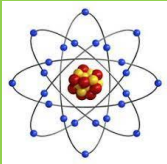

MORE THAN HALF THE RADIATION YOU RECEIVE IS FROM NATURAL SOURCES, AND **LESS THAN 0.1 %** IS A RESULT OF NUCLEAR POWER. THAT IS ABOUT 100 TIMES LESS THAN THE FOOD YOU EAT.

**DID YOU KNOW?**

**RADIATION IS EVERYWHERE.** It includes harmless visible light and radio waves, but also energy carried by particles of atoms moving through space.

STRICT LAWS AND RULES FOR THE NUCLEAR INDUSTRY, AND AN INDEPENDENT NUCLEAR REGULATOR **KEEP CANADIANS SAFE.**

**USES OF RADIATION**

**NUCLEAR POWER:** Works by inducing radiation to be released from Uranium in a process called fission. This produces heat, which boils water and spins a turbine to make power. IT’S THAT SIMPLE.

**NUCLEAR MEDICINE:** Both diagnoses and treats illnesses like cancer using radiation. Nuclear imaging helps locate diseases within the body, and focused high-dose treatments help destroy them.

**NUCLEAR SCIENCE & TECHNOLOGY:** IS A MAJOR PART OF CANADIAN INDUSTRY. Neutron imaging quality in aircraft components, and gamma irradiation keeps consumer products like food and cosmetics sterile.

**RADIATION:**

**RADIATION** is the excess energy emitted by an unstable atom as it becomes stable. **EVERYONE OF US ARE EXPOSED TO RADIATION EVERY DAY.**

A **SIEVERT (SV)**, named after a Swedish physicist, is the unit used to measure radiation.

Eating a banana is equal to 0.1 microsieverts.

Dental X-rays are equal to 5 microsieverts.

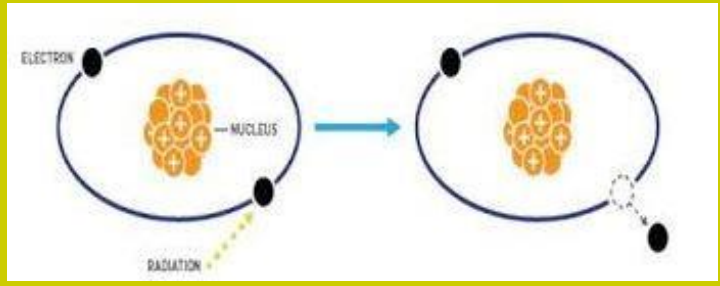

A cranial scan is 2000 microsieverts.

**IT’S ENERGY**

**Radiation** is simply transmitted energy. It travels as waves or particles, and it is found everywhere in the universe, coming from rocks, the sun, and the stars.

You can sense some types of radiation, such as light and hear, other types, such as radio waves and ultraviolet, require special instruments to detect.

When radiation is powerful enough to knock electrons from atoms, it is called ionizing radiation. It can damage materials and living tissue, it comes from natural and artificial sources, **and is the type of radiation that nuclear industries and regulators measure and protect against.**

**TYPES OF IONIZING RADIATION**

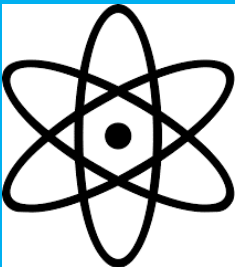

IONIZING RADIATION COMES FROM VARIOUS SOURCES AND IN VARIOUS FORMS, SUCH AS:

**ALPHA PARTICLES** – Large, slow-moving particles that cannot penetrate your skin.

**BETA PARTICLES** – Fast-moving electrons or positrons that can only penetrate a few millimetres into tissue.

**GAMMA RAYS AND Z-RAYS** – Energy packets called photons which move at the speed of light and are stopped by dense materials like lead.

**NEUTRONS** – High-energy subatomic particles that are stopped best by hydrogen-rich materials like water or concrete.

12 - Ignace Driftwood, January 18, 2012

# Ignace Trapper's Council 2012 Workshop and Open House

Ignace Trapper's Council Annual Workshop and Open House held this past Saturday was attended by 101 people from all over Northwestern Ontario. Demonstrations on pelt skinning and preparation were done by junior trappers, local trappers and some of our out-of-town guests. Ram Connection from Fort Frances brought a variety of trapping supplies for trappers to purchase. A fantastic lunch enjoyed by all was once again prepared by the staff of the North Woods. Presentations were given by Kevin Goudie on Outdoor Survival Skills and by Richard Murphy on hints and tips for GPS & Spot. Dwayne Brown of the Ontario Fur Managers Federation, Dave Bewick of North American Fur Auctions and Conservation

Officers s John Carson and Dan Hale were on hand to provide information and answer questions for the trappers. Winner of the Best Fur Bundle was Ken Fralick with Chris Kamm coming in second. Twelve children participated in the "Annie Oakley Run", snowshoeing in oversized snowshoes, water carry, mouse trap setting and a team boil water competition. A big thanks goes out to Robert George, Stacey, Tammy and Amanda Levesque and Robert Berube for coming out to help in the cold. Once again, draws and a very successful penny auction were held thanks to all our sponsors. Ignace Trappers Council would like to thank our members who helped, out of town guests and all our

sponsors for their support of our function again this year: Lone Pine Motel George Solomon & Sons Home Hardware Northwest Sewage Wayfare Restaurant BMO Nesbitt Burns Ignace Fire Department Shoprite Nor Trax Basic Machining Northland Aircraft John Hansen Trucking Judy McKay Cobb Bay Camp Caseys Clothes Closet Ella Lynns 4 Seasons Footwear Boffo Home & Cottage Gould's Furniture Braggs' Ken and Winnie Fralick Dryden GM Vern Dungey Napa Tri-Smith Superior Propane Vern's Minnows- Shell Professional Pharmacy

# Ignace EarlyON Child and Family Centre

**Invites Applications for a Program Assistant**  
**January 2022 – June 2022**

(To cover a Leave of Absence with possibility for longer employment)

### Successful Applicant should possess the following

- Current Certification in Infant/Child CPR and First Aid or obtain it.
- A Clear Vulnerable Sector Check prior to hiring
- An understanding of today's family dynamics, their challenges and the ages and stages of child development.
- Willingness to take training as needed.
- Ability to work independently or as a team member.
- Assist with the planning and implementing of the programs for children ages 0-6 years.
- Perform weekly cleaning duties and prep work as scheduled.
- Flexible Hours – includes some evenings, days and weekend shifts.  
(Average from 13 ½ hours one week to 26 ½ hours another week dependent on scheduling)

Resumes will be accepted up to 3:00 p.m. on Mon. Jan. 17, 2022  
Email: [ignacenurseryschool@bellnet.ca](mailto:ignacenurseryschool@bellnet.ca) or drop off at the Nursery School at 312 Pine Street  
Call Joanne at 934-6696 if you have any questions about the position.  
*We thank all interested applicants, only those selected for an interview will be contacted.*

# Ignace Nursery School

**Invites applications for a Regular Part Time Program ECE**  
Minimum of 20 hrs/week and Commencing February 2022

### Successful Applicant should possess the following

- Registered with the College of ECE or working towards becoming a RECE
- Follow the guidelines of the Ministry of Education - Licensing requirements
- Current Certification in Infant/Child CPR and First Aid or obtain it prior to hiring
- A Clear Vulnerable Sector Check prior to hiring
- Clear medical evaluation that verifies you are able to perform the duties of the job and verification of immunization record as required
- An understanding of Emergent Curriculum and the "How Does Learning Happen?" document
- Ability to work independently and as a team member
- Plan, implement and evaluate the program for children ages 2-4 years
- Perform weekly prep work as required for program implementation

Resumes will be accepted up to Monday January 17, 2022 @ 3:00 pm  
Call Joanne at 934-6696 if you have any questions about the position.  
Email: [ignacenurseryschool@bellnet.ca](mailto:ignacenurseryschool@bellnet.ca) or drop off at the Nursery School at 312 Pine Street  
*We thank all interested applicants, only those selected for an interview will be contacted.*

## Recent Collisions in the Ignace area.

Recent collisions in Northwestern Ontario have been a hot topic of conversation; whether about the condition of the roads, the training the truck drivers receive or simply the weather conditions in general. What is the answer to lessening the collisions on our highways? Is it twinning the Highways? Is it adding centre passing lanes in an attempt to curb the deaths and serious injuries on our roads? That is what is going to happen between in the North Bay area where 2 – 15 km stretches will have passing lanes added. Sweden has implemented this strategy and their fatality rate have been reduced from 55 – 80 percent along with improving travel times. It promotes inappropriate passing and prevents other driver related errors.

PART III.

PART 3.—List of Persons entitled to vote at Elections to the Legislative Assembly only.

Name	Occupation	Condi- tion	Lot	Post Office
Basque, Alfred	Gentleman	B	66	Ignace, Ont.
Campbell, Colin	Laborer	B	83	Ignace, Ont.
Eamer, Georgina	Waitress	MW	12	Ignace, Ont.
Hearsey, Ronald	Ronald	B	20	Ignace, Ont.
McNally, Ethel	Teacher	S	46	Ignace, Ont.
Tapsey, Leonard	Laborer	B	15	Ignace, Ont.

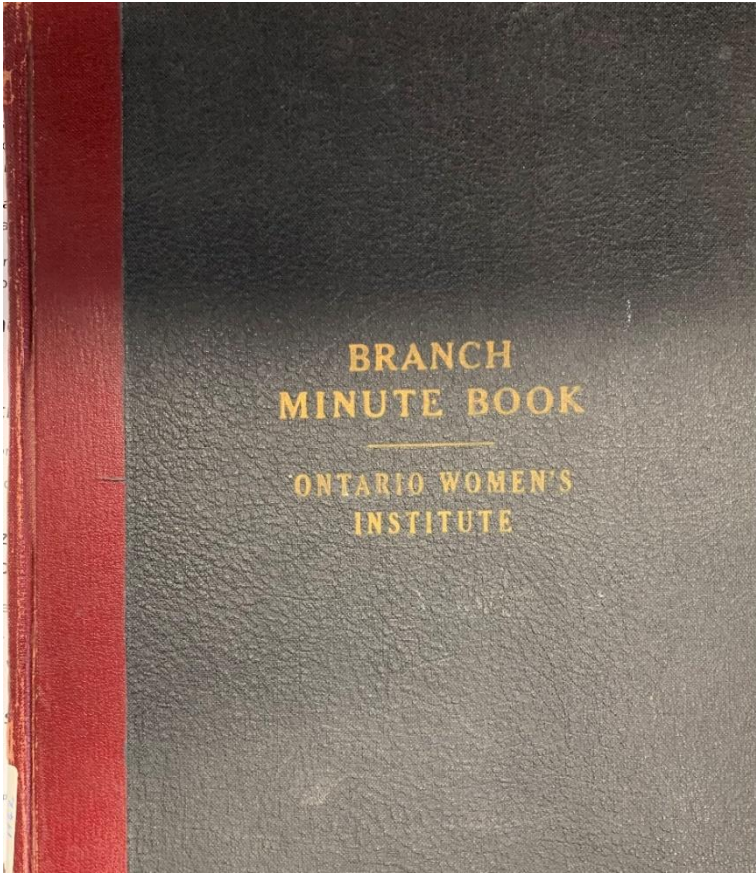

I, James Tait, Clerk of the Municipality of the Township of Ignace, in the district of Kenora, do hereby certify that Part 1 of the within List consists of a correct list for the year 1942 of all persons on the Revised Assessment Roll of the said Municipality to be entitled to vote at both Municipal Elections and Elections to the Legislative Assembly; and that Parts 2 and 3 do constitute a correct list of all persons appearing to be entitled to vote at Municipal Elections; and I do hereby call upon all Electors to examine the said list and if any omissions or other errors are perceived therein, to take immediate proceedings to have said errors corrected according to law.

I certify that there are ten persons on the said list having the proper qualifications to act as jurors.

JAMES, TAIT,  
Clerk of the Municipality of the Township of Ignace.

DATED this 15th day of September, 1942.

Feb. 2<sup>nd</sup> 1942.  
The regular monthly meeting of The Women's Institute was held in The Hall on Monday evening Feb. 2<sup>nd</sup> with 9 members present. Vice President - Mrs Cobb. opened the meeting with The Ode followed by The Lord's Prayer. Roll was called. Minutes of Dec. meeting were read & approved. also correspondence. Financial Statement - was read by Treasurer. Mrs Etherington Our President - sent in her resignation as she was leaving town for a few months. Vice President - Mrs Cobb consented to conduct meetings until annual meeting. Discussion re blankets - Moved by Mrs Skene Seconded by Mrs Stove that we sell tickets - on one blanket this month & have some entertainment - next month & draw winning ticket - Carried. Tickets - 10c to a 3 for 25c. Ticket - Sellers - Mrs Cobb & Miss Mc Kenzie, Mrs Skene & Mrs Wood. Hostesses for March - Mrs Canan & Mrs Haddock. Meeting adjourned by Mrs Skene. Lunch was served by Mrs L. Davies & Mrs Duffey.  
Pres - H. Cobb  
Sec. - E. J. Duffey.

The first rink was located on the south side of the east end of Front Street. That's the late Mary Etherington's house in the back. Posing are Steve Medwick, left, Lou Contini. right. Fellow in centre is unidentified. (Tom Hewson photo, circa 1930)

This rink was located behind War Memorial School (junior and senior grades), the site of today's Plaza. The schoolhouse at right hosted the primary grades. The white house centre rear was located where PetroCan/Wayfare is today. Skater is unidentified.

## A history of Ignace's outdoor skating rinks

Skaters used to Ignace's indoor recreation facility, which opened in 1976, with artificial ice and an ice-resurfacer (aka *Zamboni*), can little understand what skaters experienced before then. Outdoor rinks were flooded when it got cold enough, sometimes by paid staff, but frequently by volunteers. Similarly handled was maintenance and snow removal, the latter not always easy as evidenced by the photo at left which shows how high one had to throw the snow with a shovel. Often removing snow was turned into fun by pushing, while on skates, a scoop, creating snow-free paths wending throughout the snow-covered rink then skating along them. Numb toes and fingers were warmed by holding them close to wood-fired stoves in the skating shack next to the rink. Once experienced, one can never forget the odour of wet wool socks and mitts steaming near the stove!

(By Dennis Smyk)

\*\*\*

Ignace-raised historian and author Elinor Barr writes about the upper left picture, "It seems to me that the town had to get permission from the CPR to use water from the standpipe to flood that first rink. Mr. Colley, a CPR employee, was reeve at the time and I remember one year that flood-

ing was delayed awaiting said permission. Also, there was always an adult man tending the fires in the rink shack. He also tried to prevent fights and to see that big kids took care of the younger ones. For example, tying their skates, etc.

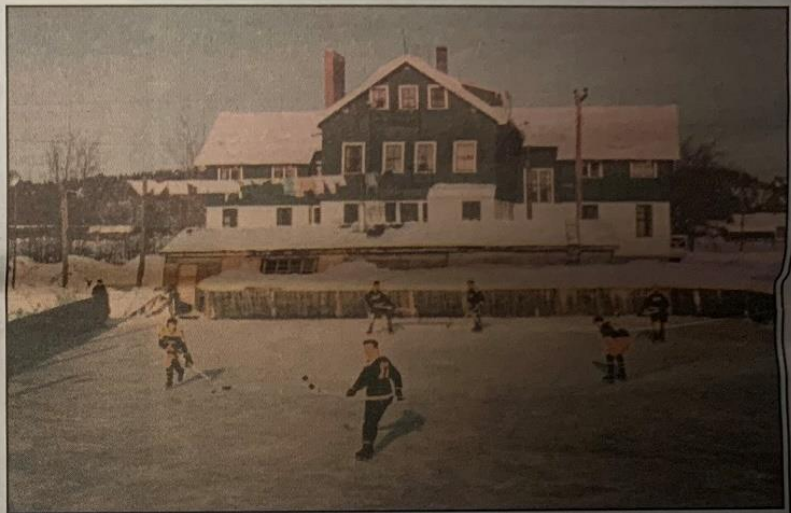

"I also recall that we skated on the pond (across the railway tracks) for a few years in the 1950's, at least until there was too much snow to shovel to clear skating space. Another problem was that pond weeds froze into the ice, causing people to stumble and fall."

\*\*\*

Ignace-raised author Betty Dyck sent her thoughts...

"I remember the outside lights and the sound of skates on the ice, and the thud of the puck against the wooden fence, and the fun of soaring around on the ice.

"The first skating rink I remember using was at the end of Front Street, which ran behind the CPR houses. It had a "warm-up shack" with a wood-fired stove, benches to sit on and windows that looked out on the rink. I can remember going there after snow storms and helping to clear the ice -- along with other kids. Bill Wells was the "custodian" some of the time. He often tied my skates for me -- this would have been in the 1930's.

This rink was behind the YMCA, the site of today's Municipal Offices/Library complex. (Dennis Smyk photo, mid-1960's.)

Then the rink was moved to behind the War Memorial School.

"I even played some very rudimentary hockey with boys and girls. During one game a "slap shot" puck hit me just below the eye -- ouch! Black and blue for awhile. Kids were always willing to clear the ice, and I believe we had to bring our own shovels.

"I also remember the huge snowbanks around the boards where people sat/stood to watch adult hockey games. I remembered that (my brother) Bob and I also skated on the pond. Sometimes we put our skates on at home and "hobbled"

across the tracks. It was very cold on the fingers to put the skates on at the pond, but I seem to recall that we did, and also that we sometimes lit a fire over there."

\*\*\*

Ninety-year-old Dot DeFeo remembers the earliest rink and says that was in her teen years and early dating in her life in the winter months started with conversations as follows, "Are you going skating?" and you would meet up there. She remembers Matt Wren being one of the custodians. She also remembers skating on the pond by the railway tracks as well as on the creek near today's Post Office.

Rink maintenance included keeping the roof of the warmup shack clear of snow. Here, in 1966, volunteers clearing the snow threw some at the photographer, Dennis Smyk. (1966)

### Covid-19 Protocols

In response to recent trends that show a rapid increase in COVID-19 hospitalizations, Ontario is temporarily moving into Step Two of the Roadmap to Reopen with modifications that take into the province’s successful vaccination efforts.

As of January 5, 2022 at 12:01 a.m. the following measures will be in place for at least 21 days (until January 27) subject to trends in public health and our health system

A complete list of measures and conditions can be found at [www.ontario.ca](http://www.ontario.ca).

### Township of Ignace Office Closure

### COVID-19 Public Health Measures

The Township of Ignace Municipal Office will be closed to the public beginning January 5, 2021, as per the Province of Ontario’s COVID-19 public health measures order. Most office staff will be working remotely from home, and a small number of essential workers will be in the office. Please call the office at 934-2202 if you need assistance.

Residents are encouraged to pay their bills online, at their financial institution or send payment by mail.

The Ignace Recreation Centre, which includes the Arena, Fitness Centre and Bowling Alley, will be closed until further notice.

An extension to all active memberships will be added by the fitness centre executive for fitness centre users. This does not apply to daily or drop-in passes.

The Public Works Garage will be closed to the public until further notice.

Residential garbage day will occur on Thursdays of every week.

Commercial garbage day will occur on Mondays and Thursdays of every week.

In case of a Public Works related emergency, please call 807-220-0888.

The Ignace Landfill Site will be open on Wednesday and Saturday from 12:00 pm until 4:00 pm

For matters related to Cemetery, please call 807-934-2202.

Council & committee meetings will meet on Zoom only.

As we continue to monitor the situation and as things change, the Township of Ignace will provide further updates.
